Dear Consultee

**COMPENSATION ACT 2006 - CONSULTATION ON THE DRAFT
CODE OF PRACTICE FOR TRADE UNIONS**

As indicated in para 23 of the Exemptions consultation paper issued on 8th September, our intention was to consult on the Trade Union code of practice at the earliest opportunity. We have now discussed a draft code with the TUC and it is attached for consultation.

A list of consultees is attached. However, we welcome responses from anyone with an interest in or views on the code. If there are any other organisations you think should be consulted, please let us know as soon as possible and we will send a copy to them.

We are sending this consultation document to all Trade Unions certified as independent by the Certification Officer for any comments they may wish to make. Copies have also been sent to non-independent Trade Unions for information.

In responding, please forward your comments by **Friday 10 November** to:
