

# DOVER DISTRICT COUNCIL (ELECTRONIC COUNTING) PILOT ORDER 2007

Made - - - - 15 March 2007

Coming into force in accordance with Article 1

This Order is made in exercise of the powers conferred by section 10(1) of the Representation of the People Act 2000(a).

Dover District Council submitted proposals for a scheme under section 10 of the 2000 Act to apply to any election that will take place in relation to any vacancy in the membership of the District Council, and any election to a Parish Council with which that election will be combined, arising on the ordinary day for elections in 2007.

The Secretary of State consulted the Electoral Commission on these proposals, as he is required to under section 10(1A) of the 2000 Act.

The Secretary of State makes the following Order:

## Citation and commencement

1. This Order may be cited as the Dover District Council (Electronic Counting) Pilot Order 2007 and shall come into force forthwith.

## Interpretation and application

2. In this Order, in any modification to an enactment made by this Order, or in any other enactment which applies in relation to the relevant election unless the contrary intention appears-

- "1983 Act" means the Representation of the People Act 1983(b);
- "2000 Act" means the Representation of the People Act 2000(c);
- "2006 Principal Areas Rules" means the Local Elections (Principal Areas) (England and Wales) Rules 2006(d);
- "2006 Parishes Rules" means the Local Elections (Parishes and Communities) (England and Wales) Rules 2006(e);

(a) 2000 c. 2. Section 10 is amended by the Political Parties, Elections and Referendums Act 2000 c. 41, section 158(1) and Schedule 21, paragraph 16.

(b) 1983 c.2.

(c) 2000 c. 2.

(d) S.I. 2006/3304.

(e) S.I. 2006/3305.

- "the election" means any local government election that takes place arising from a vacancy in the membership of the Dover District Council, or any election to a Parish Council which is combined with that election, arising on the ordinary day for elections in 2007;
- "electronic counting system" means such computer hardware and software, data, other equipment and services as may be provided by the returning officer pursuant to rule 46A(1) in Schedules 1 and 2 to this Order for the purpose of calculating electronically the numbers of votes cast at the elections;
- "the returning officer" means the returning officer at the principal area election.

and for the purposes of this Order sections 6A and 6B of the Political Parties, Elections and Referendums Act 2000(a) shall apply to representatives of the Department for Constitutional Affairs as they apply to representatives of the Electoral Commission and references in any other enactment, including this Order, to representatives of the Commission, or any person, attending or entitled to attend, or being admitted to or being present at, a polling station by virtue of sections 6A to 6D of that Act shall be construed accordingly.

### **Conduct of elections**

**3.** – (1) In relation to the election, the enactments governing the conduct of the election specified in the Schedules to this Order shall have effect subject to the modifications made by this Order.

(2) Schedule 3 to the 2006 Principal Areas Rules shall have effect subject to the modifications set out in column (2) of Table 1 in Schedule 1.

(3) Schedule 3 to the 2006 Parishes Rules shall have effect subject to the modifications set out in column (2) of Table 2 in Schedule 2.

(4) The provisions specified in column (1) of Table 3 in Schedule 3 shall have effect subject to the modifications set out in column (2) of that table.

### **Electronic counting**

**4.** Notwithstanding anything in any enactment, at the election the counting of votes, or any part of it, may be conducted electronically, if the returning officer so decides.

Signed on behalf of the Secretary of State

33

After paragraph (4) insert the following paragraphs-

**Questions to be put to voters**

"(5) Nothing in this rule shall prevent the presiding officer who attends at a polling station from providing any voter with a questionnaire concerning the conduct of the election.

(6) The questionnaire mentioned in paragraph (5) must not-

(a) be delivered to a voter until he has placed his ballot paper into the ballot box; or

(b) contain any question designed to elicit any information from the voter as to the candidate for whom he has voted."

35

In paragraph (4) delete the words "and fold it up so as to conceal his vote" and "so folded up".

**Voting procedure**

45

At the end add the following paragraph-

**The count**

"(9) With the assistance of the electronic counting system the returning officer may calculate the total number of votes cast and the total number of votes cast for each candidate from the aggregate of the records as to the total number of ballot papers and postal ballot papers."

46

Add the following paragraphs at the end-

**Re-count**

"(3) The extent to which any re-count carried out pursuant to paragraph (1) above involves the electronic counting of votes shall be in the absolute discretion of the returning officer.

(4) In so far as the votes have been counted using the electronic counting system, the returning officer may treat a request for a re-count as unreasonable unless he has reason to believe that the system has not scanned the votes correctly."

and after this rule insert the following rule-

**"Electronic counting and re-counting**

46A. –(1) The returning officer may provide an electronic counting system for the counting of votes consisting of computer hardware and software.

(2) When the returning officer carries out his functions of counting and recording under rules 45 and 46 using the electronic counting system-

(a) he must keep, or cause to be kept, an electronic record of all decisions made and actions taken by him, or on his

behalf, in respect of, or when using, the system;

(b) any ballot paper which cannot be counted by the system must be the subject of a decision by the returning officer under rule 47;

(c) such a decision may be made by the returning officer examining an image of the ballot paper, which is shown on a screen, so as to be visible to the candidates and their agents, and by the returning officer recording his decision electronically; and

(d) neither a candidate nor his agent shall be entitled to require the returning officer to provide a paper copy of any ballot paper for their inspection.

(3) When the returning officer uses the electronic counting system for the re-counting of votes under rule 46 he must not re-consider any earlier decision on any ballot paper under rule 47."

47

At the end add the following paragraph-

**Rejected ballot papers**

"(6) Where the returning officer conducts the counting of votes using the electronic counting system, he must ensure that the system produces the statement required by paragraph (5) electronically."

51

For paragraph (1) substitute the following paragraph-

**Sealing up of ballot papers**

"(1) On the completion of the counting at a contested election the returning officer must-

(a) seal up in separate packets-

(i) the counted and rejected ballot papers, including ballot papers rejected in part, and

(ii) complete electronic copies of any data relating to the counting of votes, including the record required by rule 46A(2) and the statement required by rule 47(6), contained in any devices suitable for the purpose; and

(b) following the declaration of the result of the election and the sealing up of the devices as aforesaid, as soon as reasonably practicable delete, or cause to be deleted, from the system any such data."

52

In paragraph (1) add the following sub-paragraph at the end-

**Delivery of documents to relevant registration officer**

"(g) the packets containing the devices referred to in rule 51(1)(a)(ii)."

In this rule add the following paragraph at the end-
