

People must respect the orders of the court. So, if you've been fined by the courts and haven't paid yet, time is running out. You must go to the Fines Office or your local Magistrates Court **NOW**. If you can't afford to pay, you still need to discuss your options. Otherwise we'll be knocking on your door very soon, and looking for payment, not excuses. Our new databases make it even easier to trace anyone who hasn't paid their fine.

Not paying your fine will cost you:

- Your fine could be deducted from your wages or benefits.
- Your car could be clamped.
- You could even be arrested and imprisoned.

Think you'll get away with it? Think again.

Pay your fine. Or pay the price.
